

An Evening with Orthology

Join the Orthology Team and special guests for a fun and educational evening about your health. We will offer complimentary mini bike assessments, mini gait analysis, and Orthology's mini TuneUps.

Special Guests include:

- Dr. Jeffrey Payne, MD from the Mayo Clinic presents "Regenerative Medicine in Athletes: Demonstration of Musculoskeletal Ultrasound in Common Injuries with Bikers and Runners."
- Wendi Morin (Gait Specialist) from Gear West
- Justin Blood, DPT (Bike Fit Specialist) from Orthology
- Orthology Physical Therapists
- Dr. Behin Abedi, MA, PsyD from Tangletown Psychotherapy and Assessment Center
- Dr. Timm Simondet, PsyD, LP
