FOR IMMEDIATE RELEASE:

**ORTHOLOGY – INNOVATIVE SOLUTION FOR CHRONIC PAIN
AND PHYSICAL INJURIES –
WILL BE PROVIDER OF CARE IN LARRY FITZGERALD CAMP**

Maple Grove, Minn., June 12, 2014 – Orthology, a world-class solution for rapid recovery from chronic pain and physical injuries, has been chosen as an on site provider of care for all participants in the Larry Fitzgerald camp starting July 1, 2014.

Based on patent pending, research-based methodology developed by Orthology Chief Clinical Officer, Dr. Josh Sandell, Orthology rapidly resolves injuries, restores function and improves athletic performance.

“With the opening of our third location, we are excited to be able to have the opportunity to provide care for thousands of Minnesota residents,” say Dr Sandell

Delivered by highly trained collaborative care teams (physical therapists, soft-tissue specialists and chiropractors), and proven on some of the world’s greatest professional athletes, Orthology focuses on targeting the root cause of a patient’s pain in order to get people back to living life to the fullest, faster.

Through our non-invasive methodology, Orthology delivers the best possible experience and results for patients. Booking appointments at Orthology is convenient and easy online at orthology.com or by calling 763-315-0466. In an effort to be affordable and accessible for all Minneapolis residents, Orthology accepts all major insurance plans.

Get Better. Faster.

Orthology has two other state-of-the-art locations open in Eden Prairie and St. Louis Park as well. For more information about Orthology, please contact Courtney Quinn @ London Misher Public Relations at 212-759-2800.
