**FOR IMMEDIATE RELEASE:**

**ORTHOLOGY – INNOVATIVE SOLUTION FOR CHRONIC PAIN  
AND PHYSICAL INJURIES –  
OPENS SECOND MINNESOTA LOCATION IN ST. LOUIS PARK**

**Third Orthology Minnesota Location To Open In Maple Grove  
This Summer**

**St. Louis Park, Minn., April 30, 2014** – Orthology, a world-class solution for rapid recovery from chronic pain and physical injuries, will open its second state-of-the-art facility on April 30, 2014 in St. Louis Park, Minnesota at 5775 Wayzata Blvd, Suite 900.

Based on patent pending, research-based methodology developed by Orthology Chief Clinical Officer, Dr. Josh Sandell, Orthology rapidly resolves injuries, restores function and improves athletic performance.

Delivered by highly trained collaborative care teams (physical therapists, soft-tissue specialists and chiropractors), and proven on some of the world's greatest professional athletes, Orthology focuses on eliminating the root cause of a patient's pain in order to get people back to living life to the fullest, faster.

"We are thrilled to open our second Minnesota location," said Dr. Sandell. "Our goal is to introduce this innovative methodology to as many people as possible, and truly revolutionize the treatment of orthopedic pain. Our expansion will allow us to do just that."

Through our non-invasive methodology, Orthology delivers the best possible experience and results for patients. Booking appointments at Orthology is convenient and easy online at [orthology.com](http://orthology.com) or by calling 952-467-6629. In an effort to be affordable and accessible for all Minneapolis residents, Orthology accepts all major insurance plans.

Get Better. Faster.
