**FOR IMMEDIATE RELEASE:**

**ORTHOLOGY – INNOVATIVE SOLUTION FOR CHRONIC PAIN AND PHYSICAL INJURIES – SELECTED TO BE EXCLUSIVE PROVIDER AT THE FAMED LARRY FITZGERALD SKILLS CAMP TO BEGIN ON JULY 1, 2014**

**Orthology collaborative care teams will be on-site to help participating NFL players recover from injury and increase performance**

**Minneapolis, MN, July 1, 2014** – Orthology, a world-class solution for rapid recovery from chronic pain and physical injuries, has been chosen by All-Pro Larry Fitzgerald to be the on-site provider at Fitzgerald's skills camp starting July 1, 2014 at the University of Minnesota. Orthology will be on site throughout the day to help participating NFL players recover from injury and increase performance.

'Camp Fitzgerald' focuses on attention to detail, honing technique and conditioning for NFL players. The Camp takes place between offseason workouts and training camp in order to keep participants at the top of their game.

Prior camps have featured respected instructors including Jerry Rice, Cris Carter and Michael Irvin and NFL star participants such as Greg Jennings, Brandon Marshall and Jermichael Finley.

'We are thrilled to have the Orthology team as a partner at this year's camp, and believe their involvement will be an enormous benefit for all of our participating athletes,' Says Larry Fitzgerald.

In conjunction with the Camp, Orthology social followers will have the opportunity to win an authentic signed Larry Fitzgerald jersey. Be sure to check out [@Orthology\\_inc](#) on Twitter, and [Facebook](#) for details on how to enter and win.

Based on patent pending, research-based methodology developed by Dr. Josh Sandell, Orthology Chief Clinical Officer who has been working with Larry Fitzgerald for nearly a decade, Orthology rapidly resolves injuries, restores function and improves athletic performance.

Delivered by highly trained collaborative care teams (physical therapists, soft-tissue specialists and chiropractors), and proven on some of the world's greatest professional athletes, Orthology focuses on targeting the root cause of a patient's pain in order to get people back to living life to the fullest, faster.

Orthology has three state-of-the-art locations in Eden Prairie, St. Louis Park, and Maple Grove. Booking appointments at Orthology is convenient and easy online at [orthology.com](http://orthology.com).
